

Your benefits aren't complete without Aflac

Aflac for The Waterfront Beach Resort

The reality is that health insurance isn't designed to cover everything, which can leave you with unexpected medical bills. That's why there's Aflac. We can help with the expenses that health insurance doesn't cover.

Supplemental insurance plans

Group Accident

Group Accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.

Group Critical Illness

Group Critical Illness insurance helps pay the expected and unexpected expenses that arise from diagnosis of a covered critical illness.

Group Hospital Indemnity

Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Group Hospital Indemnity insurance can help minimize those out-of-pocket costs so you can focus on recovery.
